Pre-Booked Arrival Transfer - Athens Airport

- Make your way to **'Everest Cafe' in Arrival's B**. Look for the BeyondBeach sign & driver (wearing 'Timothy Travel' or 'BeyondBeach' T'shirt).
- Other guests may be arriving at a similar time and sharing a transfer with you, so please expect to wait for up to (but usually no more than) 45 / 60 minutes.
- Please make your way through the airport as timely as you can, not only as others may be waiting for you, but also to ensure we meet your onward ferry on time.
- Your taxi/minibus/bus will take you to Agia Marina harbour (approx 60 min drive).
- The ferry to Evia runs regularly throughout the day, but depending on your arrival time, you may have to wait a short while for the next ferry. The ferry harbour has shaded areas and a small taverna & snack bar where you can relax whilst waiting. Your driver will give you your ferry tickets so just hop on when it arrives.
- On arrival in Nea Styra harbour on Evia island you will be met on the quay, and the Venus Beach Hotel shuttle bus will take you to the club (5 min drive).

Can't find our arrival rep? Please call our UK office first or if no answer, call Timothy Travel directly (details above).

Flight delayed? PLEASE call or email our UK office first, if no answer call Timothy Travel directly (details above) and inform them of your new arrival time asap so they can arrange for you to be met at the airport.

Not pre-booked a transfer with us? Already in Athens? You can still get a transfer to the Club, just let us know by email asap so we can arrange to meet you at the airport for the transfer to Evia island.
To avoid any inconvenience, we suggest arranging your arrival + departure transfers with us before arrival, as options can be more limited once you're in resort.
